## ABOUT PUNJAB GROUP

Since 1985, Punjab Group of Colleges (PGC) has successfully established the largest quality education network in the private sector across Pakistan. The Group, as a progressive institute includes 3 chartered universities, 417 colleges, 15 Resource Academia Campuses, 1075 Allied Schools, and 425 EFA Schools with a of 520,000+ student body and 2,276,000+ alumni.

We provide top quality education from Playgroup to Ph.D which allows a complete career path for every student.

Along with imparting education at school and college levels, the Group proudly operates Capital University of Science and Technology in the Federal Capital, University of Central Punjab in Lahore, and Mohammad Ali Jinnah University in Karachi.

As a group we are committed to continuously strive for excellence while expanding in the remote areas for the purpose of educational development which can contribute in the growth of society.

## ABOUT PUNJAB COLLEGES

In 1985 Chairman Mian Amer Mehmood set the foundations for Punjab College in Lahore with the purpose to not only educate the youth at the intermediate and graduation levels, but to also maintain a high quality of teaching methods. With time, Punjab College set itself as a benchmark of quality and performance in the education sector by delivering the best results and career success for millions of alumni.

After a continuous struggle of 35 years, the name Punjab College has grown into the largest network of colleges in Pakistan having 417 purpose-built campuses in 118 cities nationwide with state-of-the-art educational facilities. Over the years, Punjab Colleges have maintained top positions in all educational boards, sports, and debates.

Our journey does not end here as we strive for the continuous improvement of our education system with the help of innovative and ground breaking teaching methods.

# 520,000+

STUDENT BODY

# WE GOT VISION

"We are truly humbled by the trust of millions and take pride in uplifting our social fabric by educating the youth and mentoring them for a better future. Our journey of over 35 years is nothing but a reflection of our commitment and passion towards creating a better tomorrow for our society. With our wide network of schools, colleges and universities, we believe in continuously improving the standards and quality of education in Pakistan."

By the Chairman PGC  
**MIAN AMER MAHMOOD**

# WE GOT MISSION

"At PGC we are not just means to education but a family that cares, grooms and helps unlock the true potential of our students. We are in a constant relentless pursuit to help provide a better future to our youth and build a society that is wise, intelligent and educated. Your trust in us motivates and inspires us to continue doing more so that you can shine in every aspect of your life."

By the Executive Director PGC  
**SOHAIL AFZAL**

# WE GOT VALUES

Punjab College's value system is a reflection of our foundation, history and continued pursuit to provide educational excellence along with character development through various non academic activities. Our values are based on the following four pillars:

## INNOVATION

We have a long-standing commitment to an institutional culture that encourages creativity, risk-taking, continuous improvement, leadership, and an entrepreneurial spirit. We encourage people to take the initiative and make a difference by unlocking their true potential.

## DISCIPLINE

Leading a good life requires good balance of discipline. At Punjab Colleges, we intend to develop discipline in all areas of life. We truly believe in following our rules and regulations which are based on principles of ethics, morals, and honesty.

## INTEGRITY

We believe that trust, respect, and integrity bring out the best in people. At Punjab Colleges, we consider integrity as an element of character and encourage our students to hold themselves and their fellow students to the highest standards of academic and social integrity.

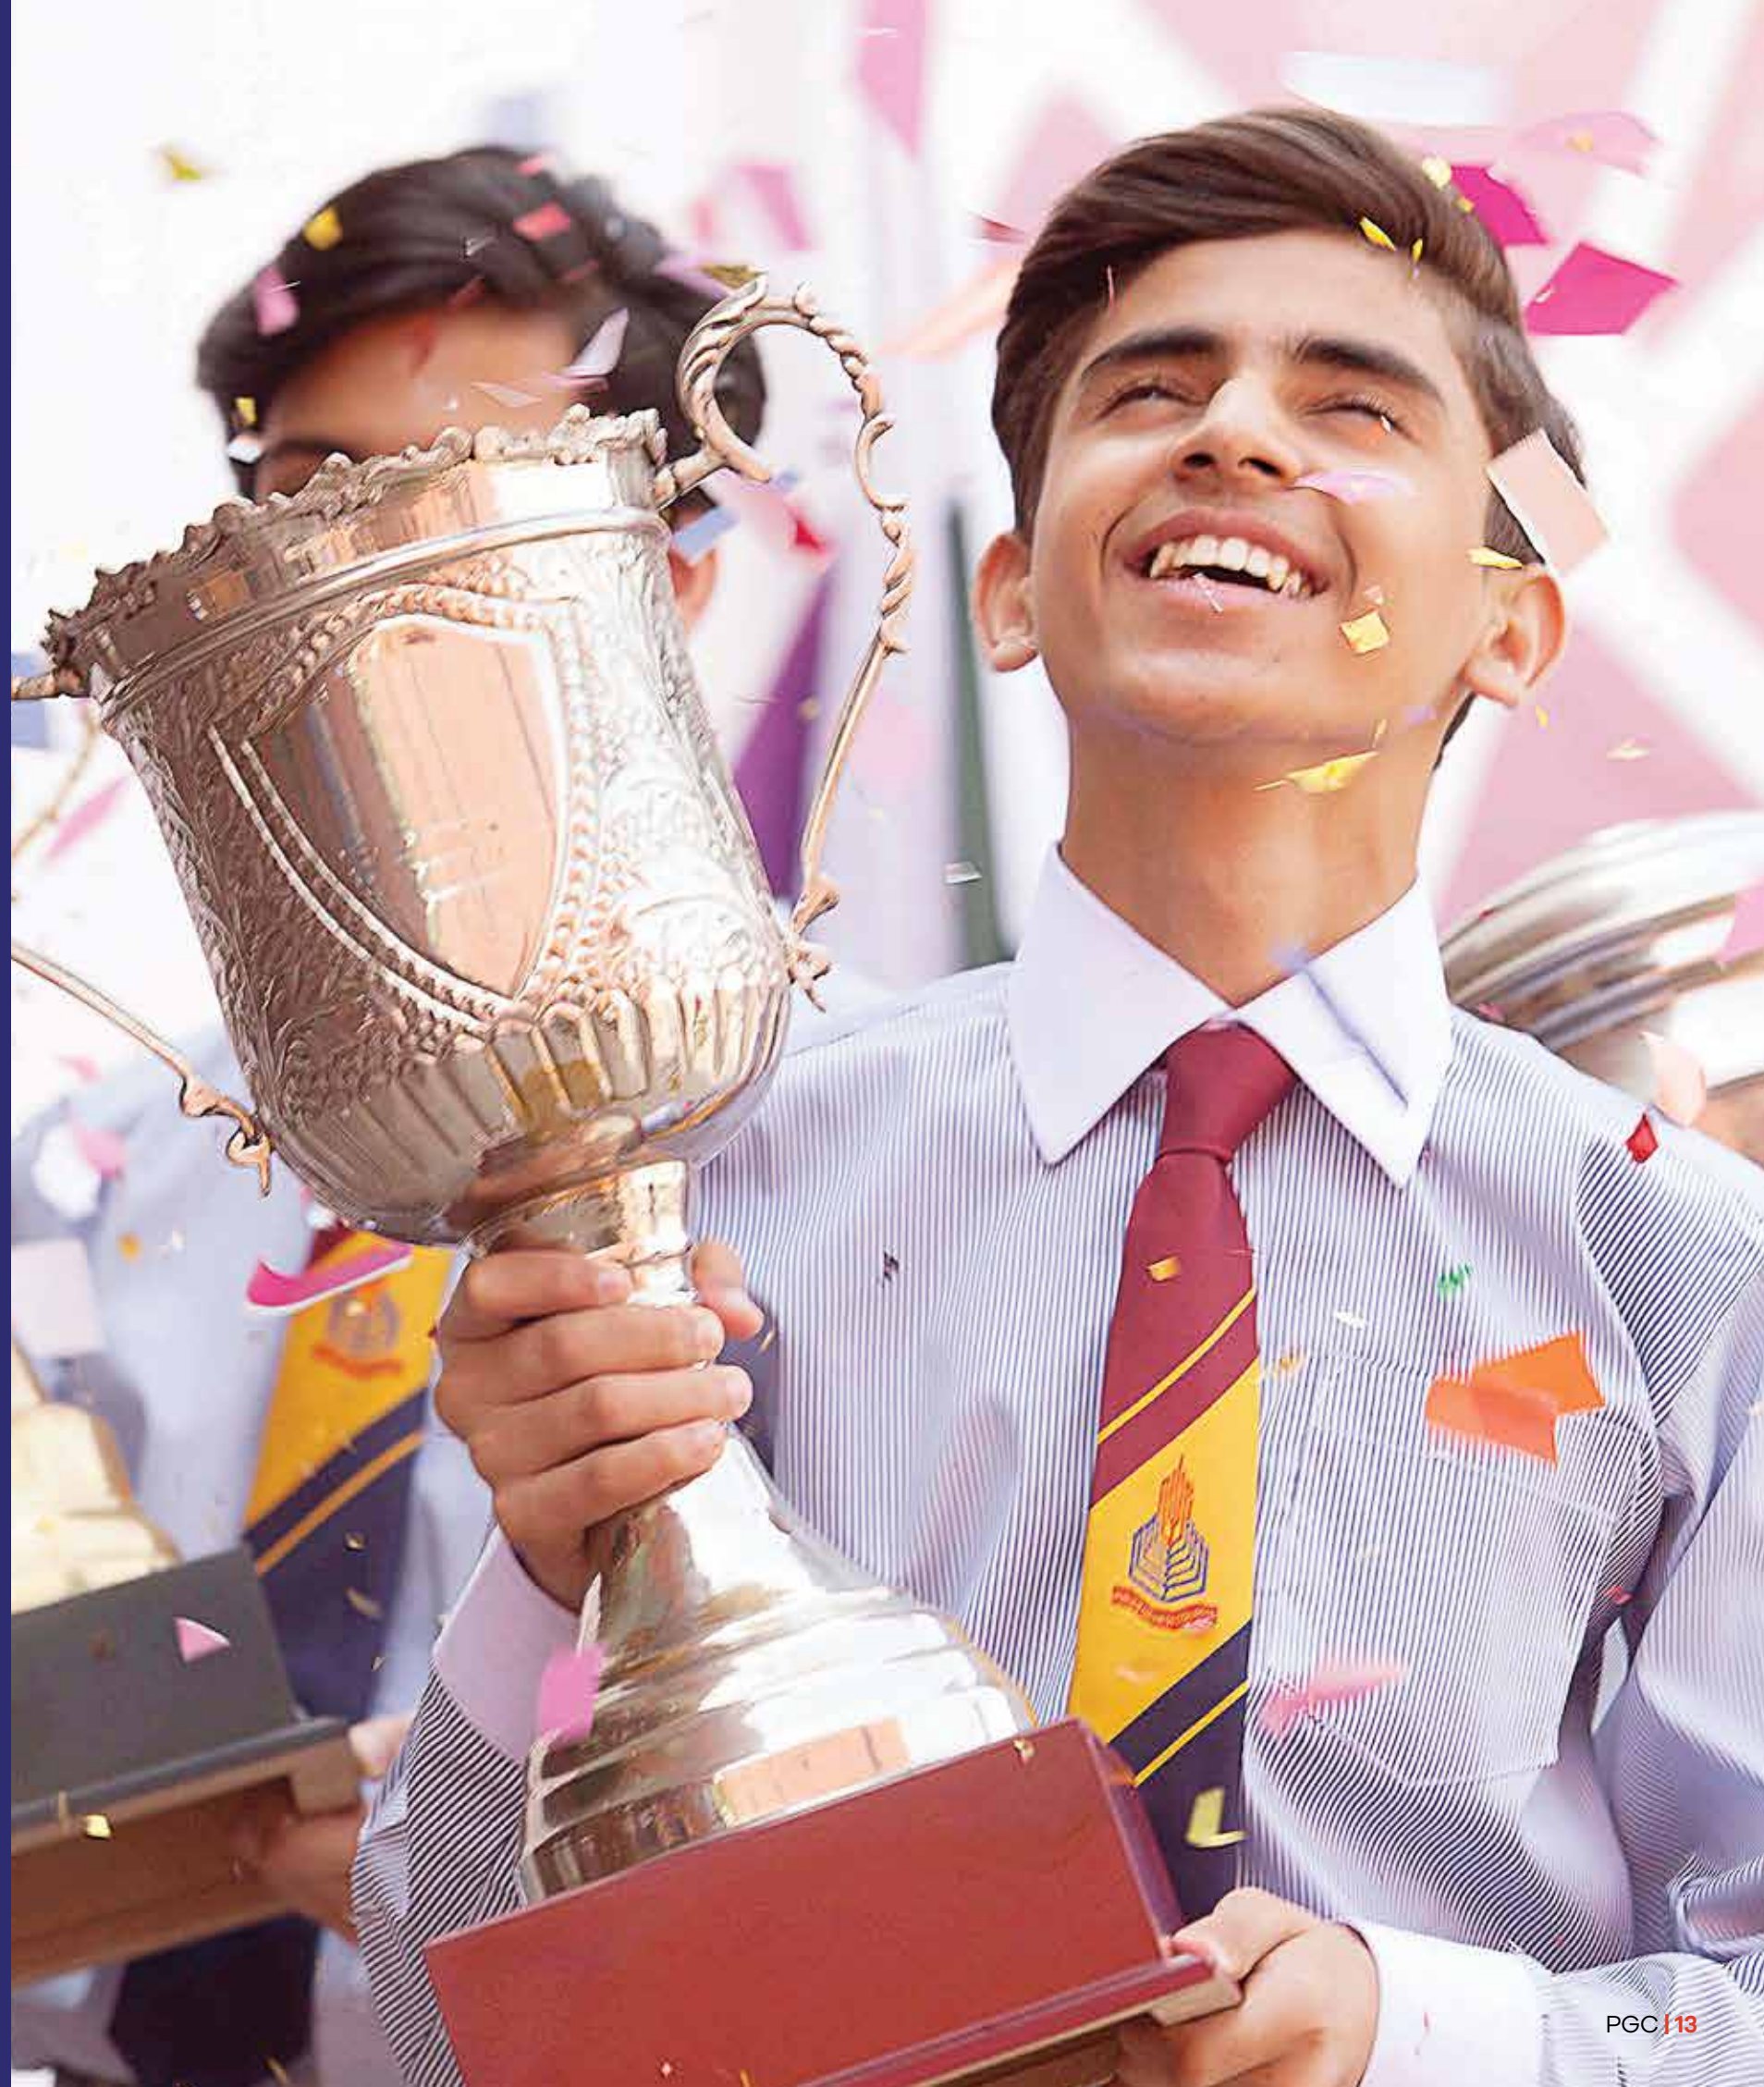

## EMPATHY

At Punjab Colleges, we delight others with care and compassion. We are truly committed in extending all kinds of support and help to our staff and students which can enable them to excel in their careers.

# WE GOT ACHIEVERS

In Pakistan, Punjab Colleges are a symbol of achievements which have been attained by years of hard work, dedication and commitment. These achievements have set an example among not only the private education sector, but the public education sector as well. For 2 decades Punjab Colleges have held the record of securing top positions in intermediate and bachelor exams in all major boards and universities across Pakistan. This list includes all boards and universities of Punjab, Federal, KPK and Azad Jammu & Kashmir. With every passing year the number of position holders are increasing consistently.

students and implements a well-designed curriculum as approved by the HEC. These programs are available in relevant campuses with affiliation to different public universities.

# WE GOT FACILITIES

At Punjab Colleges, we have a wide variety of facilities offered to our students. We offer fully equipped classrooms, libraries and science labs that make our college a comfortable place to study and excel. Our portals and e-learning facilities are designed in such a way that students and parents can reach all the resources on a single tap of a smartphone.

## MICROSOFT CERTIFICATION

Punjab Group of Colleges in collaboration with Microsoft is offering free Microsoft Office Specialist (MOS) Certification to its students. The Microsoft Office Specialist Certification is a cost-effective, market-oriented solution to validate fundamental productivity, knowledge, and skills in demand today. We offer free certification in three categories which are MS Word, MS PowerPoint and MS Excel. Through this facility, students can save up to \$160. Any student can avail this facility without having to pay extra fee.

## ENTRY-TEST PREPARATION

Students are required to take entrance examinations after intermediate to get selected into the top universities in the country and abroad. Our curriculum is designed to guide our students to excel in any entry test examination. This enables them to prepare for a radiant future, and allows them to pursue their professional goals.

## E-LEARNING & VIRTUAL PROGRAMS

The e-learning system of education is now an intrinsic part of the teaching and learning process. To ensure the availability of access to education, Punjab Colleges offer a state-of-the-art e-learning portal. This online system includes interactive video lectures and other electronic resources beneficial for the students. To guide our students in a better way, we are also offering virtual classrooms that connect students to their teachers in real-time so that they can communicate in a classroom environment.

## ONLINE PORTAL & STUDENT APP

The Punjab College app is designed to provide the right information and relevant course-based material for swift learning and necessary

administrative updates. The app provides every individual with facilities such as student profiles, college notifications, time tables, attendance, fee, results, and e-learning all available at one tap.

## LAB FACILITIES

Punjab Colleges have state-of-the-art labs that are up to date with modern requirements. Computer science labs have the latest equipment and computers to facilitate the theoretical and practical knowledge of studies. Science Labs are designed in such a way that students can practice theories of biology, chemistry, and physics with convenience and safety. We believe that these labs act as workshops for future doctors, engineers and researchers. Expert staff is highly qualified to guide our students whilst operating the latest equipment.

## EXTRA COACHING CLASSES

Apart from regular classes, Punjab Colleges also provide free extra coaching classes. With the help of these supplementary classes, activities, and resources, students not only get a stronger grip over their current course work, but also get an extended understanding of the contents related to the main curriculum.

## LIAISON WITH PARENTS (Parents App)

As the leading educational institute in the country, Punjab Colleges strongly believe that transparent and convenient communication with the parents of our students is key. We have a duty to the parents to ensure the best quality education for their children and with the PGC app Parents can keep track of their child's attendance, results, progress, fees and any other notifications the college gives.

## TRANSPORT

We provide comfortable, modern and well organized transport facilities covering maximum locations. A huge fleet of vehicles and dedicated staff are providing students with drop off and pick up services.

## STUDENT COUNSELLING

At every campus of Punjab Group of Colleges, we have a team of highly qualified and expert student councilors who exclusively focus on providing students proper counseling regarding academic choices and career paths, in order to resolve conflicts that students face during their Intermediate phase. This provides the students with counseling to help set them on the right track, so that their horizons get broadened with clarity and direction. This platform facilitates students with career-enhancing workshops, regular counseling and advisory sessions by eminent speakers, career coaches, and information officers to motivate and guide them in the right direction.

## LIBRARIES

Libraries play a vital role in every educational system, and their importance in modern education is undeniable. They not only consolidate classroom knowledge, but also give the students opportunities to develop insights and research-oriented learning. All campuses of Punjab Colleges have extensive academic libraries. A large variety of periodicals and journals are available in the libraries, along with invaluable books on information technology, business and other related fields. Books on literature, language, religion, philosophy and other disciplines are available in all libraries of Punjab Colleges. All the libraries are air-conditioned and purpose-built to create a comfortable environment for learning and research.

## ACCESS TO E-LIBRARIES

# 24/7

# WE GOT ACTIVITIES

At Punjab College we believe that along with academics, students should also be provided with quality time for engaging in healthy and mindful extra-curricular activities. These activities help with character building by teaching students teamwork, leadership and instilling them with the self confidence required to excel in their preferred fields. We ensure an enjoyable educational environment for students where they can actively participate in studies as well as extra-curricular activities, express themselves and explore hidden talents which is a great way to learn new skills. These activities are designed in such a way that students can enjoy and participate in each type of fun filled recreation separately.

## BLOOD DONOR SOCIETY

The aim of the Blood Donor Society is to gather a team of highly motivated students who can enthusiastically put in an effort to gather blood from volunteer donors amongst the students, faculty and staff of the college. It is the responsibility of the society to ensure the availability of blood at a time of emergency or for regular cases.

## DEBATING SOCIETY

The Debating Society plays a prominent role in facilitating students with the possibilities to explore their capability in the field of debating/declamations. The society conducts bilingual monthly and annual debating events. The best teams are presented with trophies on the basis of their performance. The society also selects the teams of debaters for participation in the inter-college debating/declamation contests.

## DRAMATICS CLUB

At Punjab Colleges, dramas, short plays and skits play an integral part at welcome parties, concerts and other occasions. To improve the quality of such activities, students require a proper arrangement in this regard so that they can exhibit and enhance their dramatic skills. Through the dramatics club, students gain confidence, improve their public speaking skills and learn to express themselves. This club aims to contribute to personality and character-building through the performing arts.

## GO GREEN CLUB

The Go Green Club is about focusing towards energy conservation, recycling of natural resources and planting maximum number of trees so that the coming generations would benefit from decisions made today. We need to act as proven examples of self-sustenance in energy conservation and taking footsteps that would enable us to become the 'Pioneer

institution' within Pakistan in addressing such an important global issue.

## MUSIC SOCIETY

The Music Society has been established to polish the innate abilities of students in singing and music. Pakistan's most popular superstars like Atif Aslam, Abrar-ul-Haq, Goher Mumtaz and Mustafa Zahid started their journeys of success through this society. The society organizes regular workshops to talk about various genres of music such as Classical, Pop, Fusion, Sufi-rock, Pop-rock, Rap, Jazz, Trance etc. The Society also organizes frequent gig-nights, singing competitions and concerts.

## LITERARY CIRCLE

This society aims to promote healthy reading and writing habits among students. The circle convenes regular events and each session comprises of a selection of a particular book in prose or poetry followed by discussion on the author, chosen excerpts and important chapters. After the session, all members are required to contribute a small review and critique. The sessions are conducted in both Urdu and English literatures. The circle also intends to involve speakers and renowned writers on its guest-list.

## HEALTH AWARENESS CLUB

Health awareness club is established to arrange the activities related to general health awareness among students. Seminars are conducted in coordination with experienced local doctors to increase awareness about important health related issues like self-medication and mental health.

## SPORTS CLUB

Extracurricular activities are incomplete without sports and here at Punjab College we keep this on the top of all activities. Some highlights of the sports agenda include league tournaments of badminton, basketball, cricket, hockey, football and table tennis. Apart from on-campus activities, students also take an active part in inter-college tournaments.

## IT CLUB

IT Club is dedicated to providing students with a club focused on IT-oriented activities. The aim is to give our students a chance to develop IT-based projects and get a hands-on experience to gain more knowledge about IT. Club members will participate in field trips to software houses, IT related campus projects and other IT-related activities.

## SCIENCE CLUB

Science Club is dedicated to providing students with a club focused on science-oriented activities. The goal is for students to learn, develop professionally, and enjoy social interaction with fellow students in an environment conducive to extra curricular activities. Club members participate in field trips, campus projects and other science-related activities.

## ART CLUB

The Art Club is mainly responsible to streamline the production, promotion, and showcasing of art work by the students. That is why the Art Club members remain busy throughout the academic session in various demanding activities. Students associated with this club make themselves available

outside working hours, as they play the main role to develop art projects which they can showcase in regular and annual events. They can also participate in art, painting and poster-making competitions.

## YOUNG ENTREPRENEURS CLUB

Young Entrepreneurs Club focuses on educating students about the importance and benefits of entrepreneurship and offers startups with incubator services. It organizes events to help students and alumni connect to the networks' supporting startups.

## TOURISM CLUB

The aim of this club is to promote the country's cultural and natural heritage through tourism in a sustainable way by making our students conversant with regional trends and diversity. The club will also arrange different tourism activities.

## WELFARE SOCIETY

The Welfare society at Punjab College is a non-profit society run by students. This society works for the welfare of humanity without any discrimination of cast, creed, color, sect and religion. It serves deserving students, indigent patients and college staff. The society will regularly organize events and seminars to increase awareness about social welfare activities. These events will also be used as a major source for fundraising to help deserving people in case of any natural disasters or any other event.

## ISLAMIC SOCIETY

The Islamic Society is responsible to promote activities that can build a positive image of Islam and to also discuss the most common misconceptions about Islam. Seminars will be conducted in coordination with popular Islamic

scholars to educate students with knowledge of Quran. It provides spiritual support to students through the activities designed in a more organized form. The society will also regularly conduct Qira'at competitions between the students.

## PHOTOGRAPHY CLUB

The ultimate purpose of the Photography Club is to provide a supportive environment for interested photography students to share their creativity, knowledge and passion for photography while studying. The club will organize regular workshops in collaboration with popular photographers. Members of the club will also explore the possible opportunities for photography projects and explore the possibilities of exhibitions on and off campus. The society will also regularly conduct photography competitions between the students.

# WE GOT SPORTS

At PGC we highly encourage extra-curricular and sports activities. Our students participate in local, regional and nationwide competitions. During their time with Punjab Group of Colleges they indulge in the spirit of sports while developing their skills and talents. We take pride in the fact that a lot of renowned sportsmen and artists such as Wahab Riaz, Hassan Ali, Abrar ul Haq, Atif Aslam, Gohar Mumtaz and many more are part of our alumni. We have diverse range of sports activities at our campuses.

# WE GOT LIFE

At Punjab College, a vast range of cultural, educational, cultural sports and social activities are available, and the combination of these activities create a pleasant student life on campus for our students. Getting involved in campus life is the quickest way to become a part of the college community, and to create one's own enhanced learning experience. Campus life activities are built around the concept of encouraging each student community member to express his/her own talents and to respect all members of our campus community. Along with high academic standards and opportunities for development in a wide variety of fields, the beauty of our facilities is also a major reason why Punjab Colleges are a top choice for students across Pakistan.

## SPORTS GALA

Sports gala is an annual sports event where all students get to participate and compete with each other. The winners are recognized by PGC and duly rewarded while giving them an opportunity to compete for national level clubs.

## CULTURAL FESTIVAL & FUN FAIRS

Every year we organize fun filled cultural festivals and fairs where students get a chance to exhibit their artistic potential.

## STUDY AND RECREATIONAL TRIPS

PGC organizes trips to exciting cultural and northern destinations for all our students. The trips are governed by rules and supervised by our team of experienced staff.

## WELCOME AND FAREWELL PARTY

From the time our students join us till the time they leave, we try our best to give them an experience of a lifetime. We celebrate these memorable moments of fun and joy with our students each year.

## CONCERTS

From time to time PGC organizes concerts with renowned musicians and singers in all our campuses. We strongly believe in promoting the art and culture of our country.

## SEMINARS & WORKSHOPS

In order to provide experiential knowledge to our students we organize Seminars and workshops with industry professionals, motivational speakers from all walks of life. Students benefit from real life experiences and success stories.

## SCIENCE & ART EXHIBITIONS

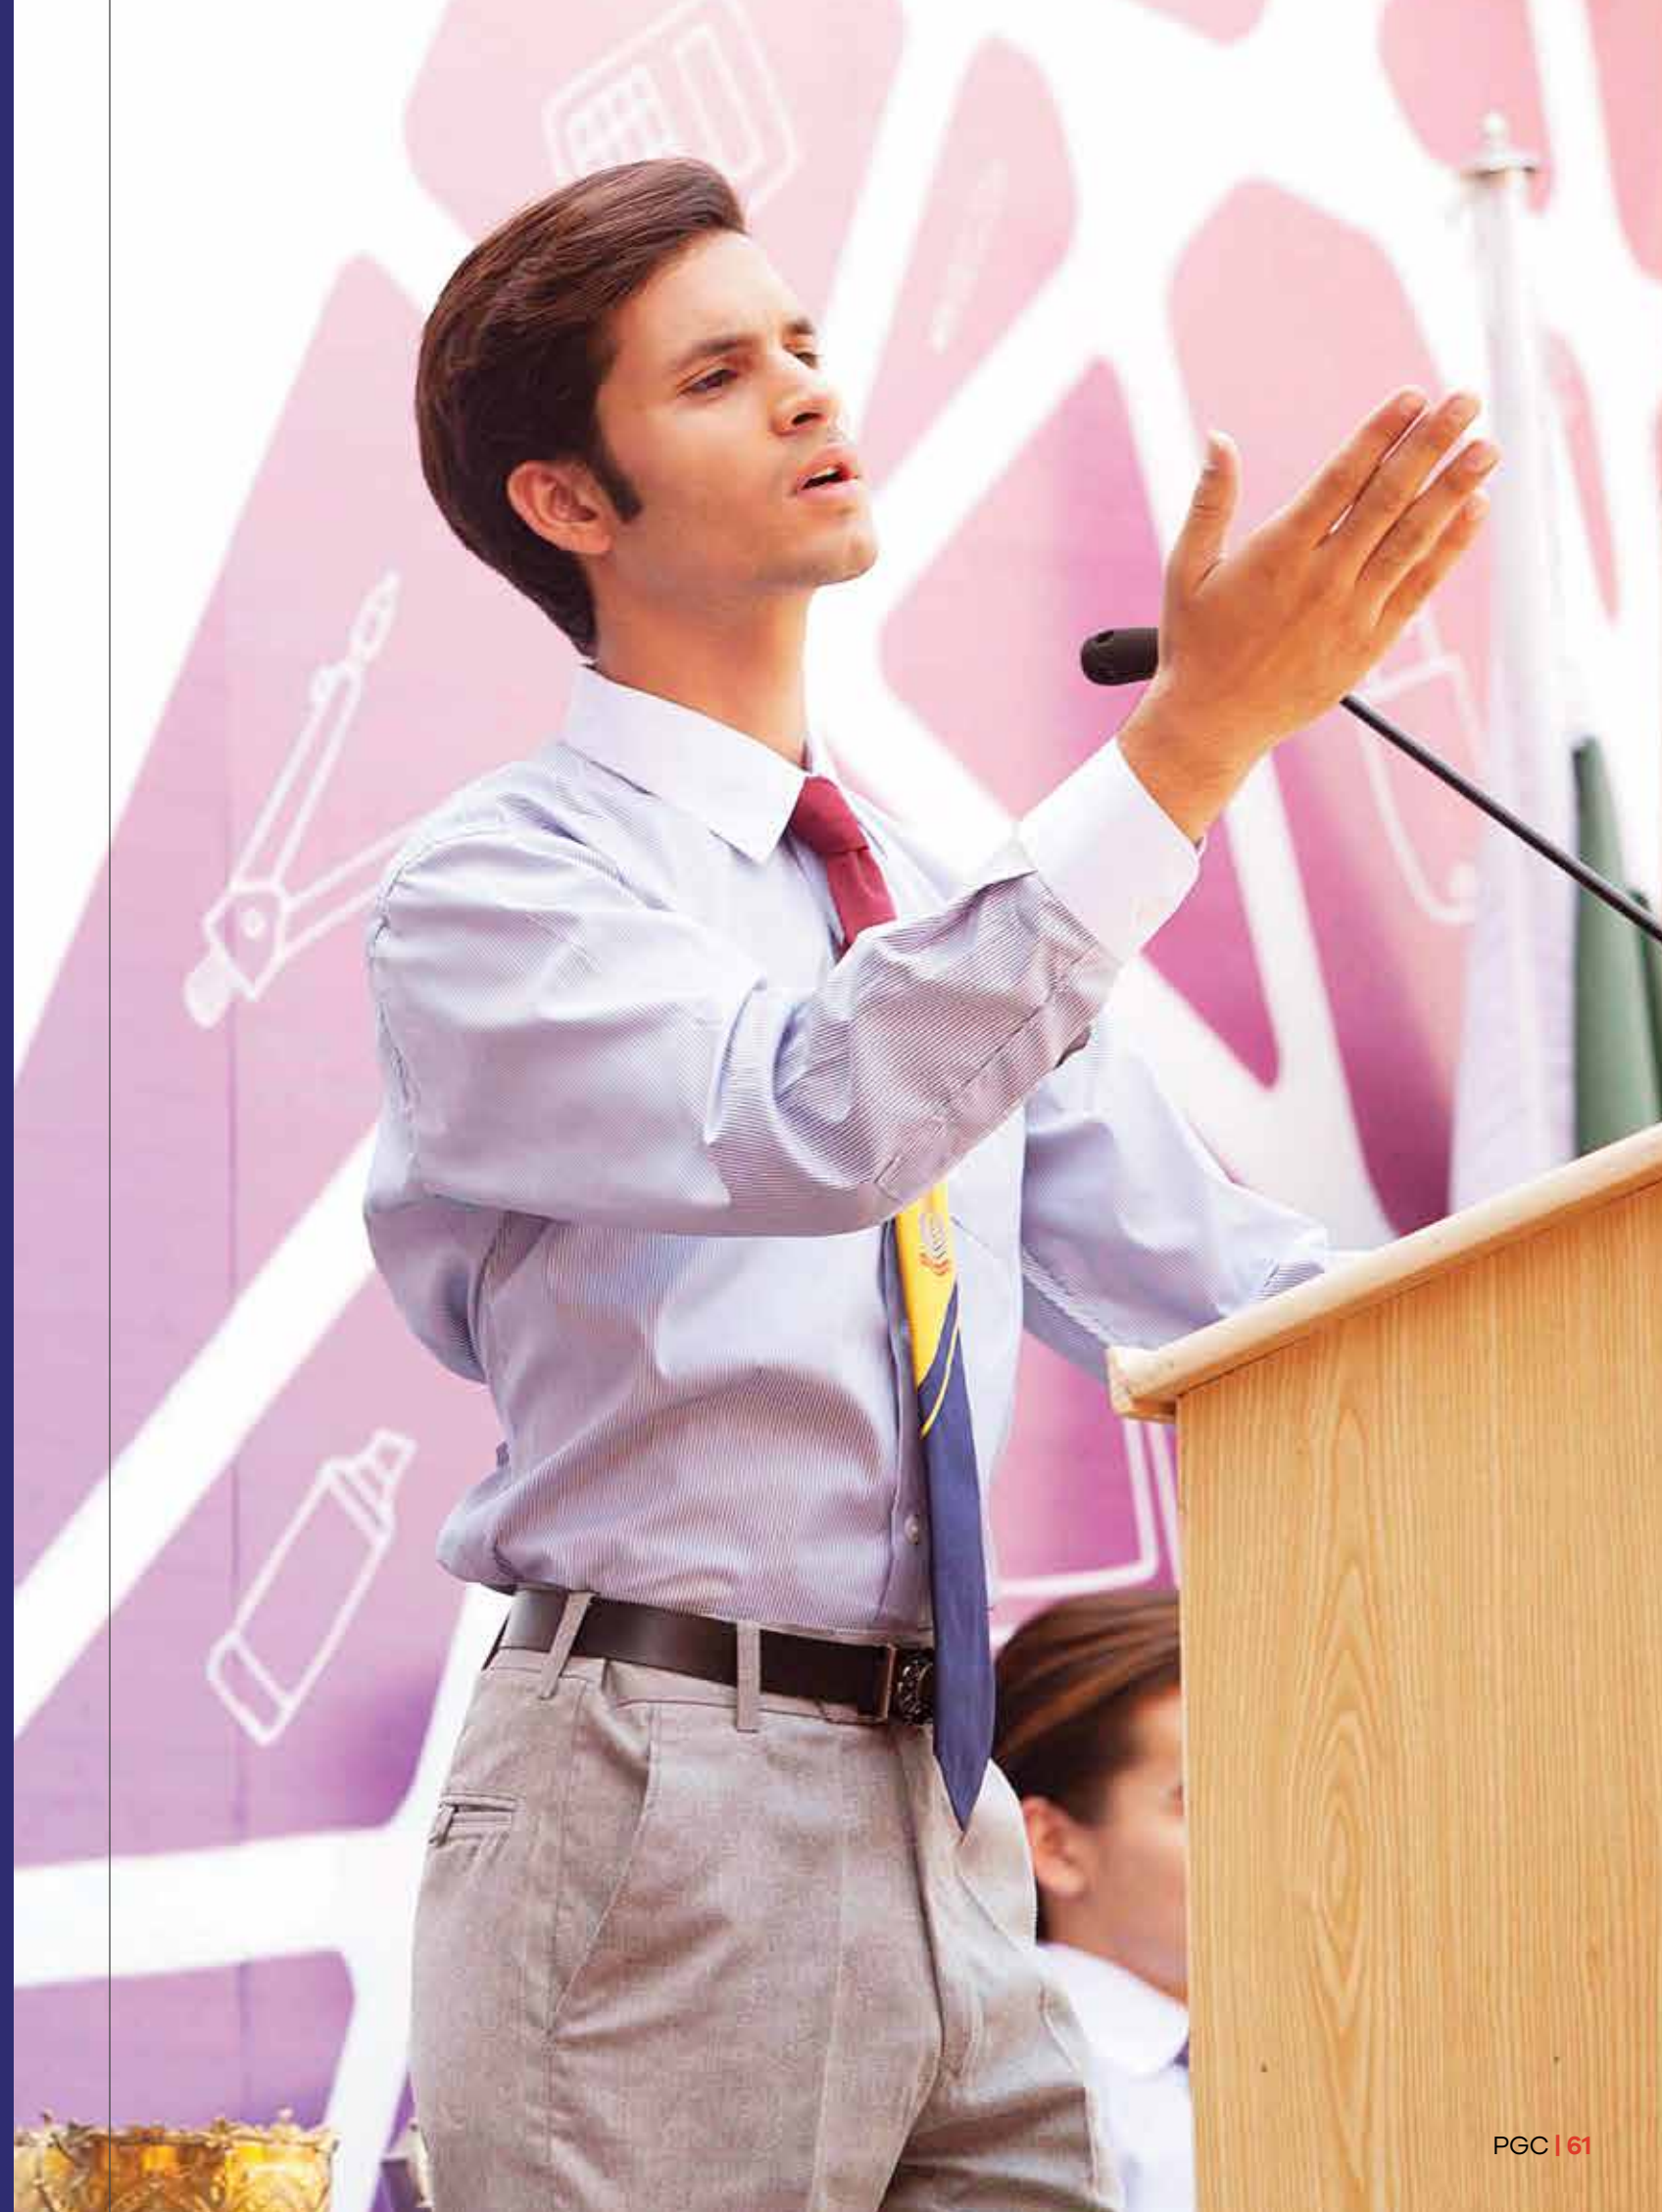

Every year at PGC we organize Science and Arts Exhibitions so that our students get a chance to pursue their passion and interest in life. This generates a platform for innovation and art.

# WE GOT COMPETITIONS

Along with quality education we also challenge our students with several competitions every year so that they can enhance their abilities while exploring the wide variety of extracurricular activities within the college. Through these competitions, we hope to inspire the next generation of creative thinkers and emphasize the importance of activities other than academics in our society. Such activities also boost the confidence of students and motivate them to think out of the box while studying. Win or lose, participating in these events yields growth in knowledge and skills. Punjab Group of Colleges distributes cash and non cash prizes to the winners of these competitions.

## QIRAT

In this world there is nothing as beautiful as the recitation of verses of our Holy Quran. We give our students the opportunity to show their love for the Holy Quran by doing Qirat of holy verses at a competitive level. It also encourages other students to come forward in such activities. Every year, we arrange Qirat competitions and also offer cash prizes to the winners.

## NAAT

Naat is a poetic way of praising our Prophet Muhammad (PBUH) and we encourage our students to show their love for our Prophet (PBUH) by conducting a Naat competition every year. We also offer cash prizes for the winners.

## AZAAN

The motive of this competition is to encourage the youth towards the best Azan, which is a profound spiritual experience, and to spread Islam's image as a religion of peace and harmony. Every year we arrange an Azaan competition and also offer cash prizes for the winners.

## CALLIGRAPHY

To inspire the students to improve their handwriting skills we regularly arrange calligraphy competitions at Punjab Colleges. These competitions include different languages such as Urdu and Arabic.

## STANDUP COMEDY

Standup comedy is a way of showing your talents of comedy in front of large crowds. At Punjab College we regularly arrange such events to enhance the confidence of students and cheer everyone at the college with a buzz of awards and prizes for the winners.

## CODING

In the ever growing world of Information Technology, coding is a vital skill and we give our students the opportunity to excel their skills related to coding by partaking in such competitions and going head to head with likeminded peers. Such competitions are organized by the IT Club and offer amazing prizes.

## ONLINE GAMING

At Punjab Colleges, students who are competitive gamers now have this exciting new opportunity to get involved at college level. Our E-Sports teams compete at college level to show their talent. Many PC and Mobile games are included in this competition.

## DEBATES

Debates encourage students to consider and discuss a range of topical issues including politics, history and current affairs. For some students, it provides them with a first-time experience of competitive debating. Such events are organized regularly by the debating society offering trophies and cash prizes for the winners.

## ARTS

Art competitions are the best avenue for you to show your masterpieces, through which you can finally break the ice and gain the exposure needed to pursue your future goals. Art contest are regularly held at Punjab Colleges where students show their art projects to real world.

## PAINTING

At Punjab Group of Colleges we firmly believe that art helps students to express themselves. Our students can put amazing color on those canvases to tell their stories. These paintings are always inspiring for others and we give our students this chance regularly by conducting painting competitions.

## SKETCHING

There are students who can draw anything with the help of just a pencil and a paper, those are the real artists. They can speak thousands of languages using their sketches and without saying anything. We give our students the chance to show their skills in sketching through organizing sketching competitions regularly.

## GRAFFITI

Graffiti is an art form that converts street walls into canvases. Artists usually create paintings or scribble on walls using spray paint. At Punjab Colleges students who consider graffiti a powerful tool of expression, spray-paint to their hearts' while participating in our graffiti competition. It is made sure that no public places are affected during the activity.

## SINGING

Punjab Group of Colleges has proved itself in the past by creating artists like Atif Aslam, Abrar-ul-Haq, Goher Mumtaz and Mustafa Zahid. We are still doing efforts through our Music Society to bring out more talent by arranging singing competitions.

## QUIZ COMPETITION

In a move to generate awareness among youngsters, Punjab Colleges regularly conduct quiz competitions for college students. Students from various streams can participate to prove their intelligence and knowledge competency.

## ESSAY WRITING

Essay writing competition provides the students with a unique opportunity to write down their views on different topics. Punjab College has always motivated young talent and this essay competition is a small step towards bringing change through the voice of the youth.

## INNOVATIVE IDEA COMPETITION

As a young entrepreneur, students can work to make the world a better place to live. They can find solutions for the problems they hear in today's news or problems they personally experience. They can use technology to help understand and solve these problems. Punjab College provides this opportunity to the students so that they can put their ideas and compete for amazing prizes in innovative idea competition.

## NEWS REPORTING

Punjab Colleges awards students for outstanding work as news anchors, reporters, weathercasters and specialized newscasts. Students are invited to participate and entries are reviewed by professionals in the field of television news.

## PHOTOGRAPHY COMPETITION

Through this competition, students capture more than a moment, in their experience they share a very personal window into the world they explore. These photographs are judged by professional photographers and the winning students are awarded with different prizes.

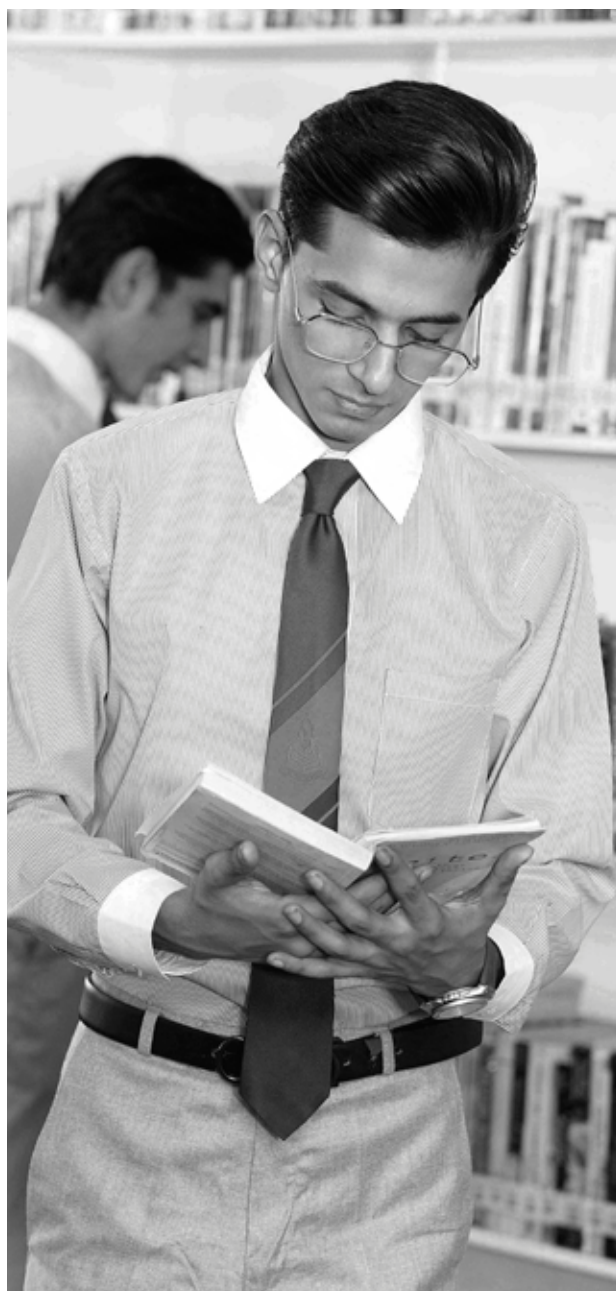

# WE GOT INCENTIVES

At Punjab College we believe that hard working students deserve rewards, and that every child deserves an education. Incentives and scholarships have always been a source of encouragement and much needed support for students. These awards inspire talented students to work harder and attain the best results in their examinations. Position holders are the pride of their alma mater. Punjab College offers a number of incentives for all those students who perform exceptionally well in their Boards/University exams. Other than incentives on the basis of performance, Punjab Group of Colleges is also concerned about the need of education of those students who can't afford the fees and provide financial support by giving them concession or free education through different categories.

## MERIT BASED SCHOLARSHIP

Punjab Group of Colleges promotes hard work and excellence. We offer an exclusive scholarship to students who show excellent performance in academics, they can avail up to 100% Fee Waiver. Students with 75% or above marks are eligible to apply for free education at the time of admission. Whereas, students with 70% or above marks can apply for a special fee concession of 50% percent.

## TEACHER'S CHILDREN

Punjab College facilitates the teachers and ensures that their children can avail high quality education. Children of teachers at public sector and known private Institutes are eligible for this concession.

## 1122 EMPLOYEES

The employees and paramedical staff of rescue 1122 risk their lives in the line of duty. They deserve our support and to cope with that Punjab College is providing special concession for the children of Rescue 1122 employees.

## SHUHDA'S CHILDREN

Punjab College takes special care of children of Shuhada of armed forces and police of our country who sacrificed their lives for us. We provide a specific concession to Shuhda's children so that they can study in Punjab College without getting any financial burden.

## STUDENTS WITH SPECIAL NEEDS

To motivate students with special needs for getting education and illuminating their minds with spark of hope, a special fee concession opportunity has been ensured for them.

## NEED BASE CONCESSION

Knowing the fact that not all students can afford the fees and face economic crisis, PGC is concerned about their need of education and provide financial support by giving them concessions or free education.

# WE GOT OBLIGATION

Punjab Group of Colleges is committed to social responsibility and is pledged to carry out public and community services through various activities. We stand solid while providing support and help to the local communities in times of natural disasters and through other initiatives. Our obligation is not limited to a single event but is designed strategically to work for decades for the prosperity of our society. These initiatives range from public health to the innovation to facilitate different sectors across the country.

## HEALTH & SAFETY MEASURES

Punjab Colleges is committed to providing a safe, healthy, and environmentally responsible learning experience for its students. We believe that no task or activity is so important that it can't be done in a safe manner and in compliance with all applicable safety standards. In all campuses, health and safety plans are intact to prevent any unfortunate event such as a fire or a medical emergency. Campus staff is always ready to execute evacuation plans in case of any such event. As we live through Covid-19, we have implemented a robust set of WHO and Punjab Ministry of Health compliant measures to keep our students and staff safe from the contagion.

## SOLAR ENERGY

To build a greener tomorrow for generations to come, Punjab Group of Colleges opted for the

most sustainable form of energy by installing solar power plants at all major campuses. Through this mega green project, the Group took an initiative to reduce carbon footprint and switched to clean and reliable energy systems while reducing the costs of energy generation cost at the same time.

## MAKE PAKISTAN GREEN

To nip the menace of pollution and SMOGS in the bud, Punjab Group of Colleges has started a great initiative "Make Pakistan Green" of planting 2.5 million trees. In this campaign 5 lac students will be the agents of change to mitigate the decreasing quality of air and to evoke a sense of conserving nature. Under the campaign of "Make Pakistan Green" as an innovative and interactive tool, Punjab Group of College is sensitizing the masses regarding the importance of planting trees.

## ROAD SAFETY

To promote safe driving behavior and to invoke a sense of responsibility among the students, Punjab Group of Colleges initiated a campaign called "Helmet Saves Life". In this campaign, Punjab Group of Colleges distributed free helmets throughout the campuses and guided students and employees on the importance of a safe driving behavior and ensured the safety of students and employees.

## ANTI-DRUGS DRIVE

To eradicate the menace of drugs from Pakistan, there is dire need to create an awareness about the harmful effects of drugs. In this regard PGC launched a corporate social responsibility campaign "Drug Free Pakistan" and shed light on the repercussions of drug abuse. Through this program several awareness sessions were conducted to guide students on how they can refrain themselves from using drugs.

## CLEAN DRINKING WATER

Punjab Group of Colleges is not merely striving to provide quality education but also deeply concerned about the health of its students and masses. PGC took a great initiative "Drink Clean with PGC" for the provision of clean drinking water and implanted state of the art water filtration plants throughout the campuses in Pakistan. These water filtration plants are also accessible to the general public.

## RIDE WITH PRIDE

In 2019, Punjab Group of Colleges conducted a research on the commute issues faced by the 51 percent population of country i.e. females. Under the light of the research, an initiative with the name "Ride with Pride" was announced. The core purpose of this initiative was the provision of convenient and independent commute options for the female students of University of Central Punjab. In this program, the university provided two wheelers (pink scooties) to the female students and gave them hands-on training by the Punjab traffic police department to ensure the safety of the students.

## KASUR MUWAKHAT PROGRAM

At Punjab Group of Colleges, giving back to the community has always been our core philosophy. To fulfill this purpose, Dunya Foundation started a project in 2014 by the name of Kasur Muwakhat Program (KMP) with the aim to reduce poverty and increase capacity building of the people by providing free quality education, introducing new farming techniques, interest free loans for farmers, free medical services and self-development trainings. KMP is currently operating in Dhala Kalan, Kasur, which consists of seven villages and a total estimated population of 2,861 households.

# WE GOT **DISCIPLINE**

Discipline is a bridge that connects goals to accomplishments. It polishes the character and personality of students and helps them to pursue and achieve their ambitions in life. At Punjab Colleges, our set of rules and regulations help inculcate the right discipline all college students need in their lives to focus, work hard, set the right goals, and turn those goals into accomplishments. At Punjab Colleges, our discipline is our identity and it is a set of policies that remind our students about the proper code of behaviour.
